

**California's Proposed Adoption of Phase 2 Greenhouse Gas Standards and
Potential Amendments to the Tractor-Trailer Greenhouse Gas Regulation**

Feb. 6, 2017

9:30 a.m. – 4:30 p.m.

Coastal Hearing Room (New Room)

Public Workshop Agenda (Updated)

Staff plans to propose a California Phase 2 regulation that harmonizes with the federal Phase 2 regulation in structure, timing, and stringency. However, the proposal will include minor differences to facilitate enforcement, align with existing California programs, and provide incentives for manufacturers to bring advanced technologies to the market.
