Q – What are the fines for non-compliance with the In-Use Off-Road Diesel Vehicle Regulation?

A – Fines for non-compliance are set by the Enforcement Division. CARB staff encourages fleet owners to comply with the regulation and avoid costly fines for non-compliance. For more information, see the enforcement policy page at <https://ww2.arb.ca.gov/resources/documents/enforcement-policy>.

While this document is intended to assist fleets with their compliance efforts, it does not alter or modify the terms of any CARB regulation, is not a substitute for reading the regulation, nor does it constitute legal advice.
