

FEATHER RIVER AIR QUALITY MANAGEMENT DISTRICT

RULE 4.0 - GENERAL REQUIREMENTS

(Adopted 8/91)

- a. No person shall cause or permit the construction or modification of any source without first obtaining, as required by regulations, an Authority to Construct or modify from the Air Pollution Control Officer (APCO) so as to comply with applicable rules and regulations and ambient air quality standards.
- b. The APCO shall not approve such construction or modification unless the applicant demonstrates, to the satisfaction of the APCO, that the new or modified source can be expected to comply with all applicable regulations and will not prevent the attainment or maintenance of air quality standards.
