

MODOC COUNTY AIR POLLUTION CONTROL DISTRICT

RULE 2.7 - CONDITIONAL APPROVAL

(Amended January 15, 1989)

- A. The Control Officer may issue an Authority to Construct or Permit to Operate subject to conditions which will bring the operation of any article, machine, equipment or other contrivance within the standards of these regulations, in which case the conditions shall be specified in writing. Commencing work under such an Authority to Construct or operation under such a Permit to Operate shall be deemed acceptance of all the conditions so specified. The Control Officer shall issue an Authority to Construct or Permit to Operate with revised conditions upon receipt of a new application, if the applicant demonstrates that the article, machine, equipment or other contrivance can operate within the standards of these regulations.
- B. A person shall not operate equipment contrary to permit conditions specified on permits issued in accordance with the provisions of this Rule.
