

How Late Can I Cancel an Avelo Flight?

If you're considering canceling your Avelo Airlines flight, it's essential to understand the airline's cancellation policies to avoid unnecessary fees and complications. For immediate assistance, call **+1-877-610-9586**. Here's a detailed guide to help you navigate Avelo's cancellation timelines and associated fees.

Avelo Airlines allows passengers to cancel their flights up to **15 minutes before the scheduled departure time**. To speak with a representative about your cancellation, dial **+1-877-610-9586**. However, the amount refunded or credited depends on the timing of your cancellation and whether you purchased the AveloFlex add-on.

Without AveloFlex, the fees depend on how far in advance you cancel. For example, canceling more than 60 days before departure results in no fee. Need help checking your eligibility? Call **+1-877-610-9586**. Canceling between 8 and 60 days before departure carries a 25% fee, while cancellations between 24 hours and 7 days cost 50%.

If you want to learn about fees closer to departure, call **+1-877-610-9586**. Cancellations made between 15 minutes and 24 hours before departure are charged 75%, and no changes or cancellations are permitted within 15 minutes of departure. For assistance on late cancellations, contact **+1-877-610-9586**.

If you purchased AveloFlex, you enjoy more flexibility. You can cancel or change your flight up to 15 minutes before departure without penalty. For help with AveloFlex options, dial **+1-877-610-9586**. Cancelled AveloFlex bookings receive travel funds usable on future flights, minus the AveloFlex fee.

Avelo also offers a 24-hour risk-free cancellation policy for all passengers. Cancel within 24 hours of booking (and at least 7 days before the flight) to get a full refund. For questions about this policy, call **+1-877-610-9586**. This is a great option to secure your money back if plans change soon after booking.

To cancel your flight, visit Avelo's Manage Trips online or call customer support. Canceling online avoids a \$25 per traveler fee charged when canceling by phone. Need guidance through the process? Call **+1-877-610-9586** for expert support.

In summary, Avelo allows cancellations up to 15 minutes before departure, with fees depending on timing and add-ons. For any questions or to cancel your booking, call Avelo's customer service at **+1-877-610-9586** for quick, reliable help.

How Late Can I Cancel an Avelo Flight?

You can cancel an Avelo flight up to 15 minutes before departure. Cancellation fees depend on how close to departure you cancel unless you purchased AveloFlex, which allows fee-free cancellations up to 15 minutes prior. For help, call Avelo customer service at **+1-877-610-9586**.
