What Changed in 2025? Understanding the New Fee Structure

Until early March 2025, Avelo boasted a “**no change or cancellation fees**” policy; you could modify or cancel your flight up to 15 minutes before departure for free—even on basic fares. However, recent changes introduced a new **AveloFlex** add-on: for just **\$5 per passenger per segment**, you can retain full flexibility and avoid fees entirely.

Reservations **booked before March 6, 2025** still follow the original no-fee structure. For bookings **on or after March 6, 2025**, if you didn't opt for AveloFlex, fees now apply based on timing:
