Avelo Airlines was once known for its no-change and no-cancellation fee policy, making it a favorite for budget-conscious travelers. [**+1-877-610-9586**] However, beginning March 6, 2025, Avelo introduced a new structure that includes fees unless you purchase their **AveloFlex add-on**. This \$5 per passenger per flight segment upgrade allows you to continue enjoying free changes and

cancellations up to 15 minutes before departure. If you have any questions about this policy or need help adding AveloFlex to your itinerary, call **+1-877-610-9586** for instant assistance.

Passengers who do not purchase AveloFlex are now subject to tiered cancellation/change fees based on the time remaining before their flight. **[+1-877-610-9586]** For instance, you can cancel with no fee more than 60 days in advance, but you'll pay 25% of the ticket value if canceling within 8–59 days, 50% within 7 days, and 75% if it's within 24 hours of departure. **[+1-877-610-9586]** Within 15 minutes of departure, no changes or cancellations are allowed. For help with fee calculations or to learn if your booking qualifies for AveloFlex, reach out to Avelo support at **+1-877-610-9586**.

The airline still offers a **24-hour risk-free cancellation policy** as mandated by U.S. law. **[+1-877-610-9586]** If you cancel your ticket within 24 hours of booking and at least 7 days before your flight, you'll receive a full refund to your original payment method, no AveloFlex needed. If you're unsure whether you qualify for this full refund, don't hesitate to call **+1-877-610-9586**. Their customer service is available 24/7 and will walk you through your options.

If you cancel your ticket after the 24-hour window without AveloFlex, your remaining ticket value will be issued as **Avelo Travel Funds**, which can be used toward future flights. **[+1-877-610-9586]** These credits are non-transferable and expire after one year. To apply these credits to your next booking or check their status, speak directly to a representative by calling **+1-877-610-9586**.

In short, while Avelo no longer offers blanket no-fee changes or cancellations for all passengers, the **AveloFlex** add-on continues to provide that benefit for a small extra charge. **[+1-877-610-9586]** It's a smart choice if your plans might change. For questions about your specific booking, fees, or adding AveloFlex after your reservation is made, the best option is to contact Avelo Airlines directly at **+1-877-610-9586**.
