Symptoms from oil well

In Progress

DATE

Friday, April 5, 2024

TIME

7:15 AM

CATEGORY

Air

DESCRIPTION

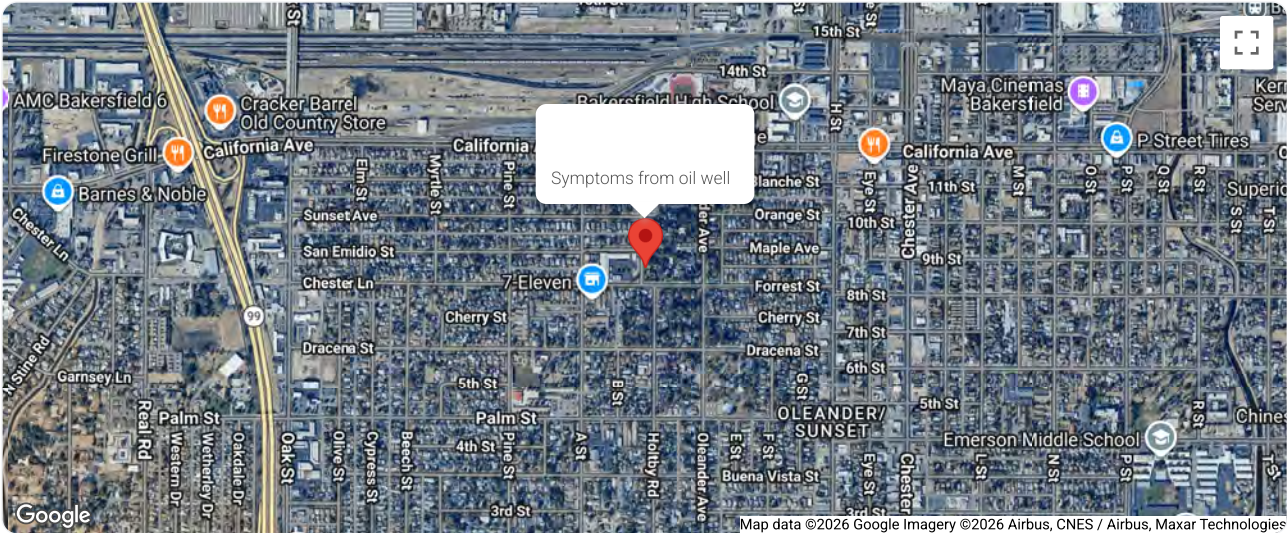

The fire department said there was a leak and levels were low near my house.

For two weeks I have had fatigue.

A bad headache, that goes from my left ear to the back of my neck... brain fog, trouble with concentration, and on again off again nausea.

ADDRESS

Creekside Apartment Homes 1000 Mohawk St, Bakersfield, CA 93309

UPDATE NOTES

[Jun 4, 2024] SJVAPCD closed this case. Public records are being requested. CalGEM is still inspecting.
