DESCRIPTION

Me and my family have been dealing with throat eyes irritation for a few weeks. Sometimes there is a faint smell of burnt oil. I moved here 4 years ago from Bakersfield. I started getting more respiratory issues when I moved here and every person in my house is dealing with some kind of cough or throat irritation at the moment.

WAS THERE A SMELL?

Decaying

WERE THERE ANY LOGOS, NAMES, OR UNIQUE IDENTIFIERS ON THE PERSON(S) OR VEHICLES PRESENT?

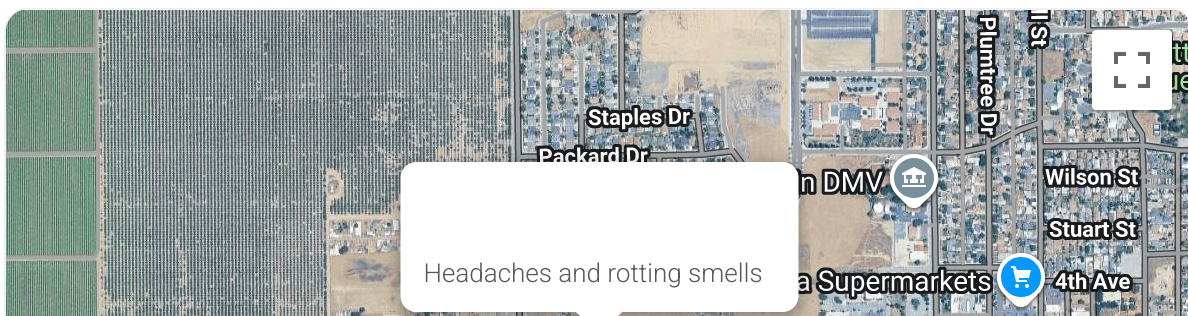

The oil well across from the
playground
