Smell from oil well Unresolved

DATE	TIME	CATEGORY
Saturday, March 28, 2026	2:42 PM	Air

DESCRIPTION

Last night around 9:00, me and my family were hanging out in our backyard. There was a very strong smell of crude oil mixed with some type of rotten smell. The smell was so strong that it gave me a headache and made me nauseous. I have been getting dizzy spells recently. Me and my daughter have been dealing with headaches for a few weeks.

WAS THERE A SMELL?

Decaying

WERE THERE ANY LOGOS, NAMES, OR UNIQUE IDENTIFIERS ON THE PERSON(S) OR VEHICLES PRESENT?

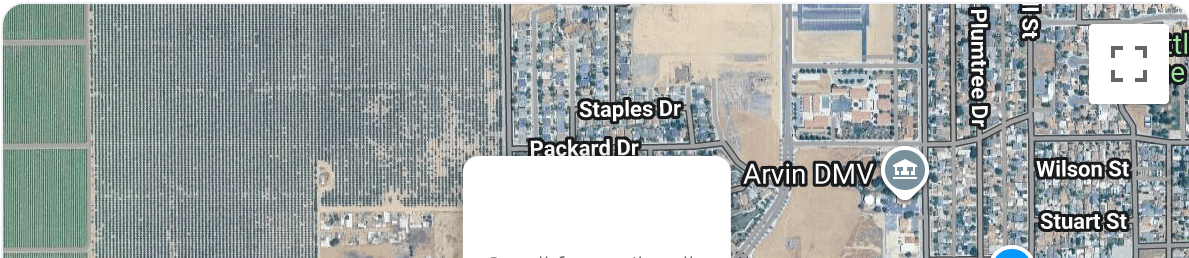

Oil well in my backyard

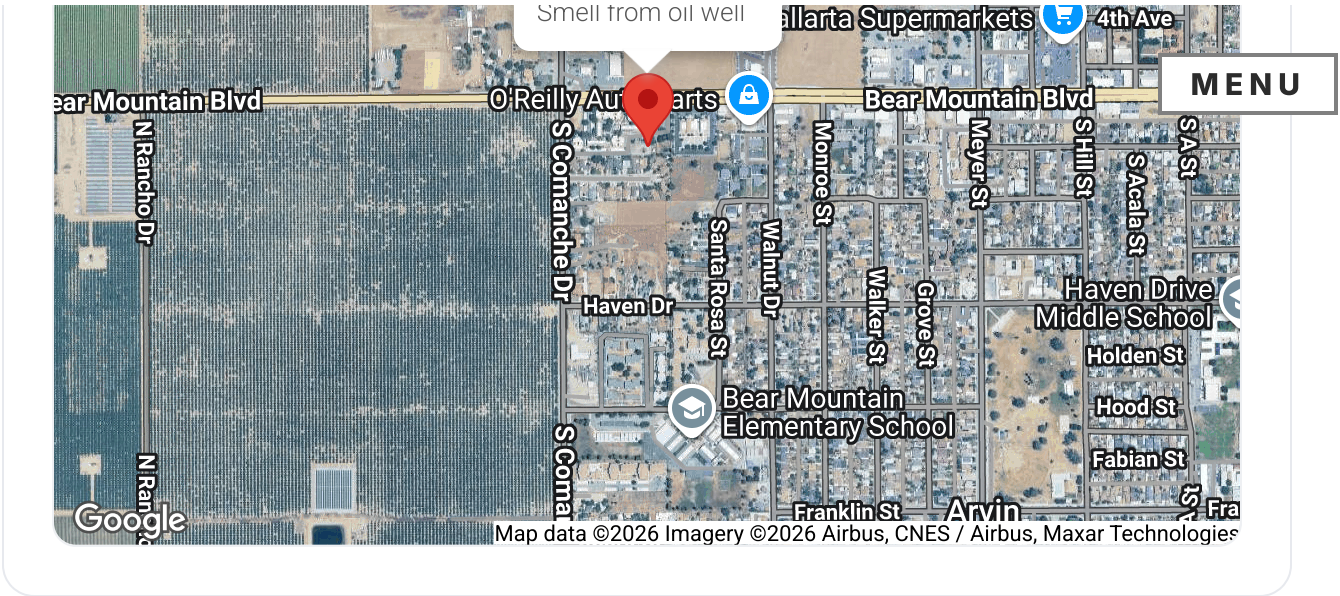

DID YOU FEEL ANY SYMPTOMS ASSOCIATED WITH WHAT YOU WITNESSED? IF SO, PLEASE DESCRIBE YOUR SYMPTOMS.
