

Methane Super Emitter Data Explorer

[Login](#) [Contact Us <https://epa.gov/resources/general-info/contact-us>](https://epa.gov/resources/general-info/contact-us)

The Data Explorer is a map-based application that displays information related to the Methane Super Emitter Program. Shown below are locations of reported super-emitter events, associated data reported by certified third party notifiers, and owner/operator submitted responses. Select an Emissions Notification ID in the table below for more information about a specific event. More information about the program can be found here <<https://www.epa.gov/compliance/methane-super-emitter-program>>.
