Subject: Voluntary Submission of Climate-Related Financial Risk Report - Unisys Corporation

To the California Air Resources Board:

Unisys Corporation hereby voluntarily submits this statement and its accompanying Climate-Related Financial Risk Report pursuant to California Senate Bill 261 (Stern, Stats. 2023, ch. 383, codified in Health and Safety Code section 38533).

The Climate-Related Financial Risk Report has been prepared on a consolidated basis in accordance with the Task Force on Climate-related Financial Disclosures (TCFD) framework, addressing all four pillars and 11 recommendations of TCFD, including guidance provided in the TCFD Annexes.

Climate-Related Financial Risk Report
The full Climate-Related Financial Risk Report is publicly available on the Unisys corporate website at: https://www.unisys.com/siteassets/collateral/about-unisys/tcdf-reports-2025.pdf

Unisys Corporation is committed to transparent and responsible disclosure of climate-related financial risks. We appreciate the California Air Resources Board's leadership in advancing climate-related financial risk reporting and welcome any questions regarding this submission.

Sincerely,

Kristen Prohl
Senior Vice President, General Counsel, Corporate Secretary and Chief Administration Officer
